

The Dustbowl (Paperback)

By Jim Goar

Shearsman Books, United Kingdom, 2014. Paperback. Condition: New. Language: English. Brand new Book. The Dustbowl is a collection of serial poems that intertwine Arthurian legend and Dust Bowl lore with fragmented memories of a childhood in California. The book's polyphonic voices conjoin perpetually questing knights and those journeying west into a single body. David Morley's Guardian review of the anthology 'Dear World & Everyone In It' complimented editor Nathan Hamilton's inclusion of poems from this "expertly challenging" sequence.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
